Description

Where fairy tales come to life with dark, deadly twists..."Tell me again, Grandm?re, the story of how I die."The Midnight Forest. The Fanged Creature. Two fortune-telling cards that spell an untimely death for 17-year-old Clara. Despite the ever-present warning from her

fortune-teller grandmother, Clara embarks on a dangerous journey into the deadly Forest Grimm to procure a magical book - Sortes Fortunae , the Book of Fortunes - with the power to reverse the curse on her village and save her mother. Years ago, when the villagers whispered their deepest desires to the book, its pages revealed how to obtain them. All was well until someone used the book for an evil purpose?to kill another person. Afterward, the branches of the Forest Grimm snatched the book away, the well water in Grimm?s Hollow turned rancid, and the crops died from disease. The villagers tried to make amends with the forest, but every time someone crossed its border, they never returned. Now, left with no alternative,
