Prayer

Father in the name of Jesus, We humbly come before Your throne giving You glory. Thank You for our study for tonight, Holy Spirit take over and lead us, may You increase us for in Jesus mighty name we pray. Amen!

Study

I welcome you all to today's study in the name of Jesus, I hope you all had a wonderful day. I pray that the Lord will speak to us in new dimension and His name alone will be glorified. I would like us to follow carefully even as we treat one of Christ's outcry in this End-Time. For sometime now we have been treating different topics on the End-Time, but today the Lord wants to help us go deeper so that we can really know what we are into for us to know the kind of decision we have to make even at this delicate period of the age!

I weep in my heart because a lot of people have not woken up to the fact that things happening are not just coincidental but happening as prophesied years ago. It is for sure that none of whatever God says goes unfulfilled. I have read my Bible to an extent and I've come to realise that a prophet may die, an apostle may die, a teacher may die, and an evangelist may die, even a pastor may die, but the word of God spoken out of the mouth of these people will never die. That is why whatever thing God says should be taken in high regards because it can lead to the glorification of a soul and can also lead to the damnation of a soul if neglected. Brethren, I'm so much humbled to tell you tonight that Christ loves us so much and He cares for us that is why He has given us His word and the Holy Spirit to help us know who He is and how to walk with Him blamelessly and of course there's nothing as lovely as knowing one's Creator.

Praise the Lord!

The topic before us tonight is "**Come Out of Her**". I'm sure you must have heard this statement severally but tonight I trust the Holy Spirit to explain deeply to us.

Revelation 18:3-5 KJV

For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. [4] And I heard another voice from heaven, saying, COME OUT OF HER, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. [5] For her sins have reached unto heaven, and God hath remembered her iniquities.

If we read the whole Revelation 18 we would see that the Lord is talking about Babylon. We have talked about Babylonian practices severally here. Spiritual Babylon is known for her abominations, she is a system/practice just like Egypt. If we are talking about spiritual dispensations acclimated to different generations then we would be mentioning these names and more. There is nothing good that can come out of Babylon.

Babylon symbolizes oppression and bondage.

When the children of Israel were taken away to Babylon as captives they got oppressed to the point that they had no choice than to start thinking about Zion(their own land). They wept day and night because the burden that was placed upon them at Babylon was too heavy for them to bear, this tells us that anyone who is still in Babylon today is under serious oppression and bondage. The children of Israel cried when they remembered Zion. Psalm 137:1-4 KJV **By the rivers of Babylon, there we sat down, yea, we wept, when we remembered Zion. [2] We hanged our harps upon the willows in the midst thereof. [3] For there they that carried us away captive required of us a song; and they that wasted us required of us mirth, saying, Sing us one of the songs of Zion. [4] How shall we sing the Lord's song in a strange land?** Beloved these people sat close to the river of Babylon and still cried not because they were thirsty and were not allowed to drink from the river but because it is only the water of sorrow that Babylon had to offer her victims.

They recognised Babylon as a strange land where they could not sing The Lord's song, for Babylon had held them captives yet wanted them to be singing The Lord's song in order to mock them and for the name of The Lord to be mocked. Of course, assuming they started singing these songs, Babylon must have converted it to a song of sorrow because what kind of song would they have been able to sing at their current state of depression, operation, subjection and rejection even as their hearts were not right with God, which made them victims in the first place. But since Babylon is a representation of pollution, oppression and is well known for its abominations because the land is occupied by the heathens, The Lord is telling us that all nations have drunk the wine of her passionate unchastity and the rulers and leaders of the earth have joined with her in committing fornication (idolatry), and the businessmen of the earth have become rich with the wealth of her excessive luxury and wantonness. This is to tell us that the practices of the heathens is everywhere, and that there is no nation excluded from her practices so the only solution to the problem is to come out of her.

The Israelites had to leave Babylon before they experienced the peace and freedom they desired, refusal to leave Babylon means one would remain in bondage. There are many ways of Babylon that people are into these days, of course the ways of Babylon are pagan ways, these are the things believers hold unto that are not in line with the word of God. It is possible to be a child of God and still be holding unto Babylonian practices. Verse 4 says **"I then heard another voice from heaven saying, Come out from her, my people,..."** We can see that it is God's own people that are entangled in these practices which God so much detest. Which means you can be seeing visions, praying in tongues, healing, doing deliverance and still be held captive in Babylonian practices. In the first place what took the children of Israel to Babylon was sin. Sin can make a man remain in Babylon for years if he does not do away with it. But God wants us to

be free, he does not want any besetting sin to hold us down in Babylon. Isaiah 48:20 GNT **Go out from Babylon, go free! Shout the news gladly; make it known everywhere: "The Lord has saved his servant Israel!"** If we look at these verse carefully, we would see that going out of Babylon is a matter of choice not force, it's a personal decision, one might decide to remain there or choose to run out of it. Although, many choose to remain there these days, but what choice have you made?

Revelation 18:3 **...and the merchants of the earth are waxed rich through the abundance of her delicacies.** From this verse we see that wealth is not a measure to conclude that someone is not in Babylon, one can get rich even by using Babylonian methods, which the merchants of the earth did. This is where many people get it wrong, they think that in as much as they are wealthy then their ways are pleasing to God. The truth is that God can decide to bless an unbeliever with riches, yes! A Christian and an unbeliever can be living in same room and God would bless the unbeliever with riches and the Christian might die poor, although his soul might be saved, It is not because God is partial, no! It is because getting earthly riches is a matter of principles, and it only works for those who knows it whether a Christian or not. God respects His word so much, no man can get godly riches without knowing and applying the principle of sowing and reaping, so wealth was available to the merchants that they did not lack nor want.

Yet, even in the midst of their abundance, God is saying "come out!". Looking into this End-Time prophecy one could see that God doesn't want His own people to be punished alongside with the unbelievers/sinners. There must be reward for sin; because the word of God says that no sinner would go unpunished that is why the greatest enemy of man is the devil because he is a custodian of sin and the flesh does not want anyone to be free from it, So we can continually be under his grip and end up where he is destined to end up. Therefore, there is a place of coming out of Babylon which is well-known for her abominations. Once a person remains in Babylon he will certainly share in the Sins committed by her and these sins would bring plagues upon him, the plagues are the wrath of God. If we look at the case of pharaoh, all his followers shared in the plagues that came upon him because they were with him. Assuming some had left the land of Egypt before the plagues started falling, they might have been exempted from the plagues. The plague is as a result of God's anger and fury upon sinful people.

This was also the case of Sodom and Gomorrah , The Lord had to bring Lot and his household out of the city through His angels and then destroyed the city. It is not usually convenient to remain with sinful people and same time live above sin. That is why the association we keep matters, any association with sinners that can be avoided should be avoided like plagues because the reward of their sins would one day come upon them, and for us not to be led into their errors we must come out; that is why the scriptures in 2 Corinthians 6:17 that **Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing ; and I will receive you,** For us not to touch the unclean thing(sin) then we must separate ourselves, which means that any Christian that does not learn the art of separation will not be able to make heaven reason being that he would sin and not be able to do the will of God. When talking about separation it means being different in thoughts and actions. Thoughts must be pure, honest, true, lovely, of good report. Philippians 4:8 **Finally, brethren, whatsoever**

things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Actions must show love in deeds and in truth. There is a saying that says *actions speaks louder than words*.

Our actions should always depict love in total difference from the world because we are the carriers of perfect love who is God, for God is Love. We must be loving, we should love even our enemies and do good to those who do evil to us, this would make us different from the world. Luke 6:32 **For if ye love them which love you, what thank have ye? for sinners also love those that love them.** This verse is simply talking about difference, that is, if you do good to only those who do good to you then what is the difference between you and sinners. Therefore, coming out of her by separating oneself is the key for being received by God because she and God are not on the same page. One day Babylon will be punished. Revelation 16:19 **And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath.** A person who does not come out will not be able to live holy, The Bible says love everyone including your enemies but it did not say make everyone your friend, not everyone you make friends with, those ungodly friends should be left, ungodly associations should be forsaken and even relationships that does not bring Glory to God, jobs that does not please God should be abandoned.

Every association that makes sin convenient for one is the same that will finally make one a partaker of God's plagues. Come out of her!

Come out of witchcraft coven, it is an evil association/gathering that will bring God's plagues upon you. Come out of examination malpractice and separate yourself from it, don't join them so that you'd not share in their plagues. Those in the ship Jonah entered would have been punished alongside with him for his own stubbornness (sin) but thank God Jonah told them to separate themselves from him by throwing him into the sea and when this separation was made there was a calm(safety) Jonah 1:15 **So they took up Jonah and cast him forth into the sea: and the sea ceased from her raging.** I don't know that sin in your life that you have to separate yourself from that would bring eternal safety to you so that you can miss God's wrath, Is this not the right time to separate yourself from online groups that you are in and does not glorify God but always cause you to sin? What of worldly fashion, is that not what you have to let go for you to escape God's wrath? There are times when all you need to just do is to come out of her to be blessed and be favored by God. Some people's Spiritual life has been stagnant

because they refused to come out of her(the ways of the world) they keep thinking coming out would bring pain and reproach so they have made up their mind to remain there and patch things up whereas that is what is hindering their Spiritual growth.

Most times it is not easy to come out but it's good to make a firm decision so that one can save his own soul from eternal destruction, ones soul is more important than anything on earth, that is why nothing on earth should make you lose your soul to the devil for life. Don't forget Revelation 18:5 that **For her sins have reached unto heaven, and God hath remembered her**

iniquities. God has remembered her sins and wants to punish her, would it be nice for you to share in her punishment/afflictions? Would you be able to stand God's wrath? Don't forget what Nahum 1:6 says, that **Who can stand before His indignation? and who can abide in the fierceness of His anger? his fury is poured out like fire, and the rocks are thrown down by Him.** You see that? Would you be able to bear it, this is the time to lay aside every weight just as apostle Paul said in Hebrews 12:1 **Wherefore seeing we also are compassed about with such a great cloud of witnesses, let us lay aside every weight and the sin which doth so easily beset us, and let us run with patience the race that is set before us,** laying aside means coming out, it means total obedience to the word of God, it means not holding unto anything that is of the world, but concentrating and setting your mind on the things above which are not yet seen.

The only reason why you can decide not to come out of her is if you can endure the wrath of God, See what it would look like in Joel 2:11 AMP **And the Lord utters His voice before His army, for His host is very great, and [they are] strong and powerful who execute [God's] word. For the day of the Lord is great and very terrible, and who can endure it?** Instead of you to be a candidate of God's fury He has provided a way out for you to escape it and hear what He is saying to you in Isaiah 55:1 **Ho, every one that thirsteth, come ye to the waters, and he that hath no money; come ye, buy, and eat; yea, come, buy wine and milk without money and without price.** All you need to do is to COME, salvation is free. Revelation 22:17 **And the Spirit and the bride says, Come, And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.** Come out of her today and you'd rejoice forever more. God bless you.
